

## RODEO PARKING INFORMATION

All Employees working Rodeo will have to park off-site in the HSLR/Metro Reed Road Park and Ride.

This lot will open at 5:00am daily, and remain open until 2:00am.

There will be a dedicated employee parking area and shuttle this time- no sharing parking lots or shuttles with the general public. During cook-off, employees will also park at Reed Road but there will be only one shuttle for guests and employees during that time and no dedicated lot.

To park in this lot and ride the shuttle without being charged for it, you must have your ARAMARK ID Badge and be in uniform.

The Reed Road lot is the only lot which opens early; all other Rodeo/Metro lots will not open until 5:00pm.
